BOARD BYLAWS

To carry out the intentions expressed in Governing Board policy, the Superintendent or designee shall develop administrative regulations and/or procedures specifying detailed actions to be taken and arrangements to be enforced within the district and its schools. Administrative regulations shall be consistent with state and federal law and regulations, Board policy, and negotiated employee contracts.

The Board shall review and approve administrative regulations as mandated by law. In addition, the Board may review and approve other regulations related to topics of particular interest to the Board or for which the Superintendent requests Board endorsement. Board approval and adoption of administrative regulations is required only for regulations which the law mandates the Board to adopt.

Regulations and procedures shall be maintained at appropriate school and/or district locations and may be placed in the district's policy manual.
