## Principal's Message

It is my pleasure as Principal to welcome you to Hueneme High School. Hueneme's faculty, support staff, and I are extremely excited and looking forward to working together with you. Please take notice of information in our website regarding our new programs and policies being implemented this school year. I would like to inform you that HHS is preparing to go through the Accrediting Commission for Schools through the Western Association of Schools and Colleges (WASC Accreditation Process) in the 2014-2015 school year. Accreditation is a dual-purpose process that schools (1) must be worthy of the trust placed in them to provide high-quality learning opportunities and (2) clearly demonstrate continual self-improvement. An accredited school is focused on a mission and goals for students; it is student-oriented and examines its students' performance continuously; it accepts objective evaluation from a team of outside peer professionals trained by WASC; it maintains a qualified faculty within an effectively organized school; it collaboratively assesses the quality of its educational programs on a regular basis; and it plans for the future. The academic and social success of your child is of high importance to all of us at the school and I would like to invite you to do the following:

- I. Meet with each one of your child's teachers to discuss his/her progress in each class. I encourage you to ask each teacher the following questions.
  - a. Does my child complete 100% of the work in class in a respectful manner?
  - b. Does my child complete and turns in on time 100% of her/his homework assignments and projects?
  - c. Does my child study/prepares for the tests/quizzes for your class?
  - d. Does my child arrive to your class on time?
- II. Meet with your child's counselor at least once each semester and review your child's 4 year plan and any possible career paths that your child may be interested.
- III. Encourage your child to do at least one sport. We encourage all of our students to be multisport athletes. As you know the more exercise your child does, the healthier your child will be.
- IV. Encourage your child to join one of the many clubs that we have at Hueneme High.

Attendance at school is a vital factor closely related to student success levels. I ask that parents work closely with our Attendance Advisor in monitoring student attendance. I ask of all parents to ensure that students to be at school, on time and prepared to learn every day. I would like to end this letter by encouraging all parents to get involved throughout the school year. Please join our parent groups and take an active role in your child's school experience.

## School Vision

Working Together to Prepare Individuals for Lifelong Success

### SCHOOL MISSION

The mission of Hueneme High School is to provide students with the opportunity for personal growth and leadership experience that enables mastery of academics, 21st Century technical skills, and development of personal and social values that lead to lifelong learning and success.

### ESLR (Expected Schoolwide Learning Results)

Self-Directed Learners  
Responsible Individuals  
Effective Communicators  
Prepared For and Informed About Their Post-Secondary Options

## School Profile

Hueneme High School is located in the southern region of Oxnard and serves students in grades nine through twelve following a traditional calendar. At the beginning of the 2013-14 school year, 1947 students were enrolled, including 11% in special education, 25% qualifying for English Language Learner support, and 86% qualifying for free or reduced price lunch.

Student Enrollment by Ethnicity / Grade Level 2013-14			
Ethnic Group	%	Grade Level	#
African-Amer.	1.50%	Grade 9	605
Amer. Indian or Alaskan Native	0.20%	Grade 10	474
Asian	0.60%	Grade 11	438
Filipino	3.10%	Grade 12	430
Hisp. or Latino	89.40%		
Pacific Islander	0.20%		
Caucasian	4.00%		
Multi-Racial	1.10%		
Total Enrollment			1,947

# Student Achievement

## Standardized State Assessments

Students at Hueneme High School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS). The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels of proficiency through fiscal year 2012-13. Beginning in 2013-14, students at Hueneme High School participated in the new statewide student assessment system program identified as CAASPP, California Assessment of Student Performance and Progress. For the 2013-14 school year, the CAASPP reports results for the CST science test given in grades five, eight and ten only.

Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

STAR Results - All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Hueneme High School			District			California		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
English Language Arts	31	35	38	45	48	49	54	56	55
Mathematics	15	21	15	26	29	27	49	50	50
Social Science	29	33	29	43	46	44	48	49	49

Note: STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Assessment of Student Performance and Progress / Standardized Testing and Reporting Results for All Students in Science -- Three-Year Comparison									
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	Hueneme High School			District			California		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
Science (grades 5, 8, and 10)	34	30	32	55	54	53	60	59	60

California Assessment of Student Performance and Progress Results by Student Group in Science (School Year 2013-14)	
Group	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)
All Students (District)	53
All Students (School)	32
Male	37
Female	26
African-Amer.	
Amer. Indian or Alaskan Native	
Asian	
Filipino	47
Hisp. or Latino	30
Pacific Islander	
Caucasian	56
Multi-Racial	
English Learners	12
Economically Disadvantaged	30
Migrant Educ.	21
Students with Disabilities	20

Note: Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) for students in grades 5, 8 and 10. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## California High School Exit Exam

The California High School Exit Exam (CAHSEE) is a state-mandated test given to 10-12 grade students to measure student proficiency in math and language arts. The CAHSEE helps identify students who are not developing skills that are essential for life after high school and encourages schools to give these students the attention and resources needed to help them achieve these skills during their high school years.

Students must pass the language arts and math components of the examination to be eligible for a high school diploma. The test is initially given to students in the tenth grade. Students are given numerous chances to pass the test during their sophomore, junior, and senior years; 73% of Hueneme High School's tenth grade students who took the test passed the math portion of the exam and 69% passed the language arts portion. Proficiency scores from the test are used as a determination of Adequate Yearly Progress (AYP) as noted in the AYP section of this report.

California High School Exit Exam All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Hueneme High School			OUHSD			California		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
English Language Arts	40	32	37	50	51	44	56	57	56
Mathematics	40	36	43	53	54	50	58	60	62

Three levels of performance are set: Advanced, Proficient, and Not Proficient. A score of Proficient is different from the passing score for the graduation requirement. Students must achieve a scaled score of 350 on each portion to pass the exam. Students scoring above a scaled score of 380 qualify for placement in the Proficient or above category.

California High School Exit Exam Percentage of Students Scoring in Each Performance Level 2013-14						
	English			Mathematics		
	Not Proficient	Proficient	Advanced	Not Proficient	Proficient	Advanced
All Students (District)	50	24	26	43	38	19
All Students (School)	63	22	14	57	34	9
Male	70	21	9	59	33	8
Female	56	23	21	54	36	10
African-Amer.	*	*	*	*	*	*
Amer. Indian or Alaskan Native	*	*	*	*	*	*
Asian	*	*	*	*	*	*
Filipino	60	27	13	40	53	7
Hisp. or Latino	66	21	13	59	33	9
Pacific Islander	*	*	*	*	*	*
Caucasian	21	37	42	37	42	21
Multi-Racial	*	*	*	*	*	*
English Learners	94	6	1	86	11	3
Economically Disadvantaged	67	21	12	59	33	8
Migrant Educ.	62	24	14	60	20	20
Students with Disabilities	97	3	*	96	4	*

\* To maintain confidentiality, scores are not disclosed when fewer than 10 students are tested.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## Physical Fitness

In the spring of each year, Hueneme High School is required by the state to administer a physical fitness test to all students in grade nine. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2013-14			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Ninth	21.2	20.4	16

*Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

## Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

**Growth Targets:** For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

**Statewide Rank:** All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

**Similar Schools Rank:** School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2011	2012	2013
Statewide Rank	2	3	2
Similar Schools Rank	3	3	3

*Results generated from 2011, 2012, and 2013 Base API Reports*

*Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.*

Academic Performance Index (API) Three Year Performance Comparison			
Results	Increase/Decrease in API Score		
	2010-11	2011-12	2012-13
Schoolwide - All Students	-8	41	-8
<b>Ethnic Subgroups</b>			
African-Amer.	*	*	*
Amer. Indian or Alaskan Native	*	*	*
Asian	*	*	*
Filipino	*	*	*
Hisp. or Latino	-8	40	-7
Multi-Racial	*	*	*
Pacific Islander	*	*	*
Caucasian	*	*	*
<b>Other Subgroups</b>			
Students with Disabilities	-13	46	30
Economically Disadvantaged	-3	36	-3
English Learners	3	45	-14

\* Fewer than 10 students were tested and results were not disclosed for privacy purposes

*Results generated from 2011, 2012, and 2013 Growth API Reports*

*Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.*

## Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

On March 7, 2014, the U.S. Department of Education approved California's testing waiver allowing flexibility in making AYP determinations for elementary and middle schools and unified school districts participating in the Smarter Balanced Field Test. CDE will not produce a 2014 AYP report for these qualifying schools and districts. High schools and high school districts will receive a 2014 AYP report based on achievement results from the grade ten California High School Exit Examination (CAHSEE) and California Alternate Performance Assessment (CAPA) as well as the cohort graduation rate.

The AYP table in this report illustrates the school's progress in meeting 2013-14 AYP target rates for applicable schools. More information on AYP can be found on the California Department of Education's (CDE) website [www.cde.ca.gov/nclb/](http://www.cde.ca.gov/nclb/) and the U.S. Department of Education's website [www.ed.gov/nclb/accountability/](http://www.ed.gov/nclb/accountability/).

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2013-14		
<i>Did the school and district meet or exceed 2014 AYP performance criteria in each of the areas listed below?</i>		
AYP Indicator	HHS	OUHSD
Overall Results	No	No
<i>Participation Rate</i>		
English Language Arts	Yes	Yes
Mathematics	Yes	Yes
<i>Percent Proficient</i>		
English Language Arts	No	No
Mathematics	Yes	No
<b>Met API Criteria</b>		
Graduation Rate	Yes	Yes

*A "\*" means that the school or LEA did not receive a 2014 AYP Report. For 2014, only schools and LEAs identified as a "high school" or "high school LEA" are in receipt of AYP Reports.*

## No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2013-14, Hueneme High School qualified for Title I Targeted Assistance funding and is subject to comply with Title I program requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the California Department of Education's website [www.cde.ca.gov/ta/ac/ti/](http://www.cde.ca.gov/ta/ac/ti/).

Title I Program Improvement (PI) Status 2014-15		
	HHS	OUHSD
PI Status	In PI	In PI
First Year of PI	2009-2010	2008-2009
Year in PI	Year 5	Year 3
No. of Schools Currently in PI	7	
% of Schools Currently in PI	87.5%	

Note: Cells with N/A values do not require data.  
\*DW (Determination Waiver) indicates that the PI status of the school was carried over from the prior year in accordance with the flexibility granted through the federal waiver process.

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments; and NCLB Compliance charts; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Pupil Achievement – State Priority 4: Covered in *Standardized State Assessments*, including the STAR Results and CAASPP charts; *Academic Performance Index*, including API chart; and *College Preparation & Work Readiness*, including the CTE Program Participation and UC/CSU charts.

Other Pupil Outcomes – State Priority 8: Covered in *California High School Exit Exam*, including the CAHSEE charts; and *Physical Fitness*, including the Physical Fitness Test chart.

Parental Involvement – State Priority 3: Covered in *Parent Involvement*.

Pupil Engagement – State Priority 5: Covered in *Dropouts* and in *Graduation Requirements*, including Dropout & Graduation Rates and Completion of High School Graduation Requirements charts.

School Climate – State Priority 6: Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through automated telephone messages, flyers, the school website, and Twitter. Contact the school office at (805) 385-2667 for more information on how to become involved in your child's learning environment.

### Opportunities to Volunteer

Student Performances  
Academic Recognition

## School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Hueneme High School's original facilities were built in 1959; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Construction of a new pool (Measure H-Bond)
- Addition of art work throughout the school for beautification
- Repainting logo signs in the gym
- Repainting east side of the school
- Completion of WiFi connection
- Completion of an additional lab in the College & Career Center
- Relocation of World Language Lab

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Three day custodians and six evening custodians are assigned to Hueneme High School. The day custodians are responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Office area cleaning
- Restroom cleaning
- Trash removal

Restrooms are checked twice a day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Common use area cleaning
- Restroom cleaning
- Trash removal

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1959
Acreage	30
Square Footage	177209
Quantity	
Permanent Classrooms	77
Portable Classrooms	12
Restrooms (sets)	3
Computer Lab(s)	4
Library	1
Administration Building	1
Cafeteria	1
College & Career Center	1
Field House	1
Gymnasium	1
Music Room	1
Staff Lounge	1
Swimming Pool	1
Teacher Work Room/Mail Room	1
Weight Rooms	2

## Deferred Maintenance

Hueneme High School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2013-14 school year, Hueneme High School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

## Facilities Inspection

The district's maintenance department inspects Hueneme High School on an annual basis in accordance with Education Code §17592.72(c)(1). Hueneme High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, August 26, 2014. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2013-14, all restrooms were fully functional and available for student use.

School Facility Good Repair Status Most Recent Inspection: Tuesday, August 26, 2014			
Item Inspected	Repair Status		
	Good	Fair	Poor
A. Systems	✓		
B. Interior	✓		
C. Cleanliness	✓		
D. Electrical	✓		
E. Restrooms / Fountains	✓		
F. Safety	✓		
G. Structural	✓		
H. External	✓		

Repair Needed and Action Taken or Planned	
Section Number	Comment
(B)	Many Locations - Stained ceiling tiles needing replacement or painting. Room A4 - Wall with 10 holes needing repair. Gymnasium - Walls need painting and floor needs resurfacing. Weight Rooms, Building Q & R - Ceiling in particularly bad condition with many missing tiles. Room 4 - Hole in wall, tops of lockers damaged. Room P3 - Unsecured book cases. Room P4 - Wallpaper needs repair, hole in wall.
(C)	Several Restrooms; Boys' Locker Room - Graffiti, including etching. Some that apparently has been cleaned but which will not come out. Need repainting. Room H83 - Miscellaneous materials stacked on floor, creating walking hazard. Room S1 - Sink so full of debris as to be unusable.
(D)	Room M52 - Wires from wall to computer ad printer across floor, creating trip hazard. Room O2 - Missing light cover.
(E)	Restroom C12 - Rusty vent cover. Room E43 - Leaking faucets. Restroom G6 - Inoperable hand dryer.
(G)	Many Locations - Cracked asphalt, not yet quite trip hazard. Raised and broken concrete and asphalt in numerous locations, trip hazard.
(H)	Several Portable Building - Exterior dry rot. General in Corridors and a Number of Rooms - Water damage. Several Classrooms - Window latches need repair.

Overall Summary of School Facility Good Repair Status				
Exemplary	Good	Fair	Poor	
✓				

#### Rating Description

*Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.*

### Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. The principal, associate principal, campus supervisors, and youth security officer patrol the campus and monitor student behavior before school, during meal times, and at dismissal.

Hueneme High School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

### School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Hueneme High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in November 2014.

## Classroom Environment

### Discipline & Climate for Learning

Hueneme High School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective

learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	11-12	12-13	13-14

# of Students Expelled	89	103	54
California			
# of Students Suspended	366629	329370	279383
# of Students Expelled	9553	8266	6611

*Chart provides an unduplicated count of students involved in one or more incidents during the academic year who were subsequently suspended or expelled from school.*

### Teaching Load

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Teaching Load Distribution Departmentalized Instruction				
Subject	2011-12			
	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+
English	28.5	18	22	38
Mathematics	30.3	11	21	31
Science	31.6	5	13	26
Social Science	29.4	12	16	33
2012-13				
Subject	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+
English	28.0	16	21	40
Mathematics	31.0	11	6	38
Science	32.0	6	13	32
Social Science	28.0	18	8	40
2013-14				
Subject	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+
English	26.0	23	21	37
Mathematics	28.0	16	14	35
Science	27.0	16	9	33
Social Science	23.0	31	11	37

*\*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary level, this information is reported by subject area rather than grade level.*

### Dropouts

Hueneme High School's teachers and administrative staff practice the early identification of and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include monitoring CAHSEE test results and performance, parent conferences,

counseling structure day, Saturday tutoring classes, attendance monitoring by the CWA Coordinator, and Pathway to Graduation after school Saturday program. Understanding that the needs of each student are different, administrators, counselors, and teaching staff continue their efforts to discover successful solutions to help students complete their high school program.

In the following Dropout & Graduation Rates table, 2012-13 data is the most current information available, since state certification/release dates for dropout data occur too late for inclusion in this report. Detailed information about dropout rates and graduation rates can be found on the DataQuest website at <http://dq.cde.ca.gov/dataquest/>.

Dropout & Graduation Rates			
	HHS		
	10-11	11-12	12-13
Dropout Rate	18.4%	11.9%	17.5%
Graduation Rate	73.8%	80.6%	73.3%
OUHSD			
	10-11	11-12	12-13
Dropout Rate	13.3%	10.8%	14.8%
Graduation Rate	78.8%	81.5%	77.5%
California			
	10-11	11-12	12-13
Dropout Rate	14.7%	13.1%	11.4%
Graduation Rate	77.1%	78.9%	80.4%

### Graduation Requirements

Students must accumulate 230 course credits, pass the math portion of CAHSEE, pass the language arts portion of CAHSEE, earn a passing grade in Algebra 1, and earn a passing grade in Computer Literacy to receive a high school diploma from Hueneme High School. Alternative methods of acquiring a diploma are available through the Continuation School, Community Day School, Adult School, and Condor High School (Independent Study) for those students who have been unsuccessful in a high school environment or have exhausted their opportunities to remain at Hueneme High School. The following table illustrates the percentage of students graduating from Hueneme High School who have met both CAHSEE and district graduation requirements.

Percentage of Students Passing CAHSEE & Meeting District Graduation Requirements* 2012-13**		
Hueneme High School	OUHSD	California
73.3 %	77.5 %	80.4 %

Graduation Rate Formula: # of Graduates divided by CBEDS 12th Grade Enrollment

## Curriculum & Instruction

### Staff Development

All training and curriculum development activities at Hueneme High School revolve around the Common Core State Standards. During the 2013-14 school year, Hueneme High School held staff development training devoted to:

- AVID Strategies (Cornell Notes)
- CHAMPS
- Common Core Professional Development
- Data Chats
- English Language Learner Strategies
- Instructional Strategies
- Technology
- Engaging and Supporting all Students
- Creating and Maintaining an Effective and Friendly Classroom Environment
- Designing Interactive Learning Experiences for all Students
- Monitoring and Assessing Student Learning

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Hueneme High School supports ongoing professional growth throughout the year on late start days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2013-14 school year, Hueneme High School's teachers attended the following events hosted by the Oxnard Union High School District:

- Accountability & Assessment/Strategic Schooling/EL/Students with Disabilities
- APEX Training
- CELDT Training
- Common Core State Standards (ELA, Math, Science)
- D2L Training
- iPad Training
- NCPI Training
- OASIS Training
- Outlook Training
- PLC Training
- SIRAS Training
- Strategic Schooling Training
- SOAR Training
- WASC Training

Hueneme High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

### Instructional Materials

All textbooks used in the core curriculum at Hueneme High School are currently being aligned to the Common Core State Standards. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On Wednesday, September 10, 2014, the Oxnard Union High School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #14-45 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2014-15 school year, Oxnard Union High School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

## College Preparation & Work Readiness

### College Preparation Courses

Students are encouraged to take required courses if they plan on attending a four-year college or university. The adjacent table illustrates the proportion of courses taken and successfully completed in relation to the number of course enrollments (sum of total enrollment in all classes).

### Admission Requirements for California Public Universities

#### University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admission requirements please visit [www.universityofcalifornia.edu/admissions/general.html](http://www.universityofcalifornia.edu/admissions/general.html).

#### California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses, and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the CSU website at [www.calstate.edu/admission/](http://www.calstate.edu/admission/).

Courses for UC/CSU Admission	
	%
2013-14 Students enrolled in courses required for UC/CSU admission	42.3
2012-13 Graduates who completed all courses required for UC/CSU admission	20.2

### Advanced Placement

In 2013-14, Hueneme High School offered advanced placement courses for those students seeking to qualify for college credit. Sophomores, juniors, and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges.

Advanced Placement Courses Offered & Student Participation 2013-14		
	No. of Courses Offered	% of Students in AP Courses
Computer Science	0	N/A
English	4	N/A
Fine and Performing Arts	0	N/A
Foreign Language	6	N/A
Mathematics	2	N/A
Science	3	N/A
Social Science	2	N/A
All Courses	17	0.7

Note: Cells with N/A values do not require data.

### Workforce Preparation

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the counselor to discuss their four-year academic plan and are introduced to Hueneme High School's technical and career education programs; the counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Hueneme High School offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Work Experience
- Regional Occupational Programs
- Workability
- Career/Partnership Academies
- Career Pathways
- Internships

Individual student assessment of work readiness skills takes place through:

- End of course exams
- Completion of course-required projects
- On-the-job observation
- Classroom observation

Work experience students are partnered with local community organizations that provide on-the-job training and mentoring for students 16 years of age or older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. For more information, students should contact the counselor.

Regional Occupational Programs (ROP) are offered in partnership with the County Office of Education. A variety of career technical education courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan.

Hueneme High School's career/partnership academy program components include rigorous academics with a career focus, a team of teachers, and active business involvement. During the 2013-14 school year, Hueneme High School offered the following career academy programs:

- Engineering and Design Careers Academy
- Youth & Education Services Academy

Students enrolled in the career/partnership academies are enrolled in core classes where instructional content is more closely related to the student's chosen field of study. Core curriculum teachers and partnership academy teachers collaborate regularly to ensure three-year terms and coursework are in alignment with state standards and students' needs.

During the 2013-14 school year, Hueneme High School offered the following career technical education programs as elective courses:

- Desktop Publishing
- Photo Production & Technology
- Consumer Economics
- Child Development & Guidance
- Computer Operations/Science
- General Office Occupations
- Food Science, Dietetics & Nutrition
- Finance & Business Pathways
- Information Technology
- ROP Auto Paint, Auto Service Air, Computer B/Sft, Dental/Radiology, Emergency First Response, Floral Design, Fashion/Retail, Graphic Design, Medical/Office Assistant, Nursing 1

Hueneme High School receives funds from the Carl D. Perkins Vocational and Technical Education Act (Perkins). This grant enables Hueneme High School to provide its students with the academic and technical skills needed to succeed in a knowledge- and skills-based economy and helps provide programs that prepare students for both postsecondary education and the careers of their choice. CTE table in this report shows the total number of students participating in the district's CTE courses and regional occupational programs and program completion rates. For more information on career technical programs, ROP, workability, partnership academies, and work experience, contact the counselor or visit the state's career technical website at <http://www.cde.ca.gov/ci/ct/>.

Career Technical Education (CTE) Program Participation 2013-14	
Total number of students participating in CTE programs	126
Percentage of students completing CTE program and earning a high school diploma	87.3 %
Percentage of CTE courses sequenced or articulated between the school and institutions of postsecondary education	23.0 %

## Professional Staff

### Counseling & Support Staff

Hueneme High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Hueneme High School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2013-14		
	No. of Staff	FTE
Academic Counselor	4	4.0
Campus Supervisors	5	3.8
Guidance Technician	2	1.5
Adaptive PE	1	0.3
Career Center Technician	1	0.8
Nurse	1	1.0
Psychologist	1	1.0
Special Program Counselor	1	1.0
Speech & Language Specialist	1	1.0

Counselor-to-Student Ratio: 1:487

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

## Teacher Assignment

During the 2013-14 school year, Hueneme High School had 79 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2013-14		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers
Hueneme High School	91.0 %	9.0 %
<b>District Totals</b>		
All Schools	95.0 %	5.0 %
High-Poverty	94.0 %	6.0 %
Low-Poverty	96.0 %	4.0 %

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

	Teacher Credentials & Assignments			OUHSD 14-15
	HHS 12-13	13-14	14-15	
Total Teachers	78	79	81	661
Teachers with full credentials	78	79	80	659
Teachers without full credentials	0	0	1	2
Teachers teaching outside subject area	9	13	0	0
Total teacher misassignments	3	0	0	0
Teacher misassignments for English learners	1	0	0	0
Teacher vacancies	0	0	1	1

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total teacher misassignments includes the number of misassignments of teachers of English learners.

## District Expenditures

### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2012-13 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2012-13		
	OUHSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$43,120	\$42,957
Mid-Range Teacher Salary	\$77,403	\$69,613
Highest Teacher Salary	\$83,726	\$89,407
Superintendent Salary	\$196,000	\$207,044
<b>Average Principal Salaries:</b>		
High School	\$124,259	\$129,506
<b>Percentage of Budget:</b>		
Teacher Salaries	39%	37%
Administrative Salaries	4%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

### Expenditures Per Student

For the 2012-13 school year, Oxnard Union High School District spent an average of \$8,181 of total general funds to educate each student (based on 2012-13 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Oxnard Union High School District receives state and federal categorical funding for special programs. For the 2012-13 school year, the district received categorical, special education, and support programs funds for:

- Agricultural Vocational Incentive Grants
- Department of Rehabilitation
- Economic Impact Aid (EIA)
- Education Protection Account
- Governor's CTE Initiative: CA Partnership Academies
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Local: Locally defined
- Partnership Academies Program
- Special Education
- State Lottery
- Title I
- Title III
- Title IV
- Tobacco-Use Prevention Education
- Transportation
- Vocational Programs

	Expense of Education Per Pupil 2012-13				
	Dollars Spent per Student				
	HHS	OUHSD	% Diff. School & Dist.	State Avg., Dist. Same Type	% Diff. School & State

## SARC Data

### DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Hueneme High School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to API, AYP, STAR results, enrollment, and staffing.

### Public Internet Access Location

Parents may access Hueneme High School's SARC and access the internet at any of the county's public libraries. The closest public library to Hueneme High School is Oxnard Public Library.

Address: 251 South A St., Oxnard  
Phone Number: (805) 385-7527  
WebSite: <http://www.oxnard.org>  
Number of Computers Available: 30

### Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Oxnard Union High School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials section were acquired in August 2014. Data to prepare the school facilities section were acquired in October 2014.
