

# RANCHO CAMPANA HIGH SCHOOL

camarillo, CA

Rancho Campana High School (RCHS) is a new 800 student comprehensive academy high school for grades 9-12. The school is being built on a 28 - acre site in Camarillo and will provide high quality public education for the Camarillo and Somis communities. The facility will include both indoor and outdoor learning spaces for all areas of coursework, as well as a performing arts center that will serve both the school and the community.

The school will open with 200 freshmen and 200 sophomore students; we will cap enrollment at 800 students (9th - 12th grade). Students who live in the following zip code areas may apply for admittance: 93010, 93012 and 93066.

The school will offer a rigorous, project-based curriculum in the context of three enrichment themes: Engineering, Health & Biological Sciences, and Arts & Entertainment. The academic instructional program will provide the A-G coursework required to meet both the CSU and UC entrance requirements.

**AP** The expectation is that all of the students will challenge themselves with a rigorous curriculum. Additionally, we plan on offering a wide range of Advance Placement and Honors classes that will meet the needs of our students.

As a "small" high school, the site will provide access to dance, band, and exercise programs on-site. Students will be also able to participate in athletics through a multi-school agreement with Rio Mesa High School and Adolfo Camarillo High School, whichever is their neighborhood school.

# CONSIDERING RANCHO CAMPANA HIGH SCHOOL?

The application process will be the first step in enrollment for Rancho Campana High School. Students are selected through the lottery process for attendance before the registration for classes begins. We anticipate that in subsequent years we will use this same timeline for enrollment of incoming freshmen.
