Principal's Message

Rancho Campana High School (RCHS) is the newest addition to the Oxnard Union High School District. The school opened its doors for the first time in the fall of 2015. Rancho Campana High School is translated to Bell Ranch. The school sits on 28 acres of former farmland near the Camarillo Public Library. The facility includes both indoor and outdoor learning spaces for all areas of coursework as well as a performing arts center that will serve both the school and the community.

Starting with freshmen and sophomores only, RCHS has grown to serve approximately 800 students as a comprehensive, linked learning academy high school for grades 9 - 12 over the last four years. With the addition of planned facilities, RCHS has the potential to expand to serve 1000 students. As a result of only 210 spots available per grade level, a random selection or "lottery" process to gain admission was initiated.

Rancho Campana High School (RCHS) strives to provide high quality public education for the Camarillo and Somis communities. The school concept is to implement a rigorous, project-based curriculum in the context of three enrichment themes. Each student is offered an academic instructional program that provides the University of California A-G coursework required to meet both the California State University and the University of California entrance requirements.

RCHS is a wall-to-wall academy school with 3 career pathways: Applied Engineering, Health & Medical Sciences, and Arts and Entertainment. In addition, each academy has applied and is now certified by the National Academy Foundation (NAF). RCHS is also an active participant in the statewide Linked Learning Initiative. The school is designed to provide a digital, one-to-one environment where every student is provided a district laptop. Over the summer, the faculty spent many hours collaborating and developing digital curriculum that was uploaded into the District's Learning Management System (LMS) - Canvas or Google, our district's Learning Management System. Additionally, a network of support services will be provided to meet each student's individual academic and social needs. The expectation is that all students will challenge themselves with the rigorous curriculum as a wide range of advanced placement and honors courses will be offered along with dance, band, and exercise to meet the needs of our students. Students wishing to participate in sports are accommodated through agreements with Rio Mesa or Adolfo Camarillo High Schools for all athletic events. The district provides transportation for student athletes.

Mission Statement

Through a digitally enhanced environment, RCHS students will pursue excellence through curiosity, participate in diverse learning opportunities, be creative thinkers, collaborative learners, and develop global perspectives to contribute in their community.

School Vision

RCHS students and graduates will be innovative and excel academically and personally in the arts, engineering, and medical sciences to succeed in a dynamic world.

School Description

Rancho Campana High School is located in the southern region of Camarillo and serves students in grades nine through twelve following a traditional calendar. At the beginning of the 2017-18 school year, 696 students were enrolled, including 6.2% in special education, 0.9% qualifying for English Language Learner support, and 15.4% qualifying for free or reduced price lunch.

Student Achievement

Physical Fitness

In the spring of each year, Rancho Campana High School is required by the state to administer a physical fitness test to all students in grade nine. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2017-18			
Grade Level Tested	Percentage of Students Meeting Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
Ninth	11.1%	31.1%	40%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016-17 and 2017-18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered optionally during the 2018-19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016-17 and 2017-18) and the CAA for Science will be field-tested in 2018-19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropouts,

including the Dropout chart; and Graduation Requirements, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through automated telephone messages, email, parent conferences, the school marquee, school newsletters, the Rancho Campana website, and Parent Square. Contact any school office member at (805) 394-4720 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Rancho Campana High School's original facilities were built in 2014; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A

work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the custodians inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Three day custodians and two evening custodians are assigned to Rancho Campana High School. The day custodians are responsible for:

- General maintenance
- Lunch area setup/cleanup
- Restroom cleaning
- Trash removal

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Common use area cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspection

The district's maintenance department inspects Rancho Campana High School on an annual basis in accordance with Education Code §17592.72(c)(1). Rancho Campana High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place June 1, 2018 to August 10, 2018. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2018-19, all restrooms were fully functional and available for student use at the time of the inspection.

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, campus supervisors and youth SVC officers patrol the campus, entrance areas, and designated common areas. Campus supervisors and youth SVC officers monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, campus supervisors and youth SVC officers monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Rancho Campana High School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Rancho Campana High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and

departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in September 2018.

Classroom Environment

Discipline & Climate for Learning

Rancho Campana High School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistently manner based upon the nature of each situation.

Dropouts

Rancho Campana High School's teachers and administrative staff practice the early identification of and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include parent conferences, counseling, independent study, referral to an alternative high school setting, and tutoring. Understanding that the needs of each student are different, administrators, counselors, and teaching staff continue their efforts to discover successful solutions to help students complete their high school program.

In the following Dropout & Graduation Rates table, 2016-17 data is the most current information available, since state certification/release dates for dropout data occur too late for inclusion in this report. Detailed information about dropout rates and graduation rates can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Graduation Requirements

Students must accumulate 230 course credits to receive a high school diploma from Rancho Campana High School. Alternative methods of acquiring a diploma are available through the Continuation School, Community day school, Adult school, and Condor High School (Independent Study) for those students who have been unsuccessful in a high school environment or have exhausted their opportunities to remain at Rancho Campana High School. There are no results in the following table to illustrate the percentage of students graduating from Rancho Campana High School who have met district graduation requirements in 2016-17 as there were no graduates in 2017.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Rancho Campana High School revolve around the California State Content Standards and Frameworks. During the 2017-18 school year, Rancho Campana High School held staff development training devoted to:

- Project Based Learning
- Educational Technology Integration
- Work Based Learning
- Positive Behavior Interventions and Supports (PBIS)

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Rancho Campana High School supports ongoing professional growth throughout the year on weekly early release days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a

supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2016-17, 2017-18, and 2018-19 school years, Rancho Campana High School's teachers attended the following events hosted by the Oxnard Union High School District:

2016-17 Training:

- Next Generation Science Standards (NGSS)
- English Language Arts (ELA)
- APEX Online Curriculum
- Office 365 Portal Training
- SIRAS Training
- iLit Training

2017-18 Training:

- Next Generation Science Standards (NGSS)
- English Language Arts
- English Language Development/World Language
- Mathematics
- Social Science
- Career Technical Education

2018-19 Training:

- Next Generation Science Standards (NGSS)
- English Language Arts (ELA)
- Mathematics
- Social Science
- iLit Training

Rancho Campana High School's teachers also have the opportunity to attend supplemental professional development trainings offered by the district such as the following:

- Social Science
- CAASPP Assessments
- Growth Mindset
- ELA Projects in Inquiry Based Units
- Close Reading and Text Dependent Questions
- Project Based Learning
- ELA Co-Teaching Teams
- English Content Job-Alike
- iLit Model Lesson and Coaching
- Digital Literacy
- The 4 C's and Literature
- Discovery Education
- Flocabulary
- PSAT/SAT/Khan Academy
- Big Ideas Math Curriculum
- College Preparatory Math Curriculum

- Integrated Physics and Chemistry
- Biology Job-Alike
- Biology and Earth Science
- Biology OER Stemsopes
- Dual Language Immersion Job-Alike
- Teaching for Biliteracy
- Edge Fundamentals Curriculum
- Dual Language Immersion

- EPLAC Assessments
- Advancement Via Individual Determination (AVID)

Rancho Campana High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Rancho Campana High School are aligned to the California Content Standards and Frameworks. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On Wednesday, October 10, 2018, the Oxnard Union High School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #18-36 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Oxnard Union High School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

College Preparation & Work Readiness

College Preparation Courses

Students are encouraged to take required courses if they plan on attending a four-year college or university. The adjacent table illustrates the proportion of courses taken and successfully completed in relation to the number of course enrollments (sum of total enrollment in all classes).

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admission requirements please visit the UC website <http://www.universityofcalifornia.edu/admissions/general.html>.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses, and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the California State University Website at <http://www.calstate.edu/admission/>.

Workforce Preparation

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the counselor to discuss their four-year academic plan and are introduced to Rancho Campana High School's technical and career education programs; the counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Rancho Campana High School offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Naviance
- Career Education Center
- Workability
- Career Pathways

Work Based Learning Opportunities Individual student assessment of work readiness skills takes place through:

- End of course exams
- Completion of course-required projects
- On-the-job observation
- Classroom observation

Career Education Center (CEC) are offered in partnership with the County Office of Education. A variety of career technical education courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan.

During the 2017-18 school year, Rancho Campana High School offered the following three career pathways as elective courses which have all been certified by the National Academy Foundation (NAF):

- Applied Engineering
- Health & Medical Sciences
- Arts and Entertainment

Rancho Campana High School has created an identity called RCMakes (www.rcmakes.com) that includes a maker space, which employs students and allows job training opportunities. Rancho Campana High School is also an active participant in the statewide Linked Learning Initiative which is designed to provide a digital, one-to-one environment where every student is provided a district laptop.

Professional Staff

Counseling & Support Staff

Rancho Campana High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Rancho Campana High School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Academic Counselors & Other Support Staff (Nonteaching Professional Staff) 2017-18		
	No. of Staff	FTE
Academic Counselor	2	1.75
College and Career Technician	1	0.5
Health Clerk	1	0.5
Psychologist	1	0.6
Speech Therapist	1	0.5
Counselor-to-Student Ratio: 1:348		

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Assignment

During the 2017-18 school year, Rancho Campana High School had 27 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
