

ADMINISTRATIVE PROCEDURES

To carry out the intentions expressed in Governing Board policy, the Superintendent or designee may develop administrative regulations and/or procedures specifying detailed actions to be taken and arrangements to be enforced within the district and its schools. Administrative regulations shall be consistent with state and federal law and regulations, Board policy, and negotiated employee contracts.

The Board may review and approve administrative regulations related to topics of particular interest to the Board or for which the Superintendent requests Board endorsement. Board approval and adoption of administrative regulations are required only for regulations which the law mandates the Board to adopt.

Administrative Regulations shall be maintained along with the files of adopted Board policies at appropriate school and/or district locations and shall be placed in the district's policy manual.
