

Condor High School Site Safety Summary

CONDOR HIGH SCHOOL

STUDENT ARRIVAL & ENTRY

- **Condor Students will follow the procedures on each school site**
- Students should follow instructions from their supervising teacher at each site and should attend only on schedule appointments
- Entering Campus:
- Upon entering campus at either entry point, Students, Staff, and Visitors will: Be Scanned with a Thermal Body Scanner
- Answer COVID-related passive health screening questions and
- Check In to campus electronically via a Raptor Kiosk (Student ID Required) To make this process more efficient, students will receive an email each morning that will allow them to complete the COVID passive screening at home, thus allowing them to more expeditiously enter campus.
- Be Provided PPE Items (Those who DO NOT pass the thermal screen or passive health screening WILL NOT BE ALLOWED on campus and will be taken directly to the School Nurse for further evaluation in a "Secondary Screening Area" and may be sent home pending the site Nurse's evaluation.
- Those requiring a secondary screening will be informed of this in a very discrete and private manner.)

STUDENT DISMISSAL

- Condor Students will exit through assigned gates at each site
- Condor Teachers will dismiss after student appointments through the assigned gates at each site.

STAFF ENTRY & EXIT

- Staff can conduct a "Self-Check-In" utilizing the QR Code by answering COVID-related passive health screening questions and use provided thermometers.
- Staff will exit at assigned gates

VISITOR ENTRY & EXIT

- All visitors to Condor rooms will follow the procedures at each site
- All visitors will follow the exit procedures at each site.

ADMINISTRATION OFFICE/CAMPUS FLOW

- Condor staff and students will follow procedures at each site

CAFETERIA / LUNCH

Condor students will follow the procedures at each site to pick up nutrition

CLASSROOMS

- To comply with California Department of Public Health guidelines, masks must be worn AT ALLTIMES while on campus; inside and outside!!!
- Masks MUST cover and fit snugly over an individual's nose and mouth.
- Also, vented masks, bandanas, and scarves are NOT acceptable.
- If a student shows up without a mask, a surgical mask will be provided.
- If a student also wants to wear a face shield, that is acceptable, but they must also wear a mask.
- Students will be encouraged to wash their hands MULTIPLE times per day.
- No-touch hand sanitizing stations will be available in Condor Classrooms.

LIBRARY

Condor students will not access library unless in need of textbooks

RESTROOMS

- No more than 2 students will be allowed to enter the restroom at one given time.
- Additionally, students waiting in a restroom line must remain 6-feet apart.

SECONDARY HEALTH SCREENING ROOMS

Secondary Screening Rooms will be located Students will enter these locations ONLY after they have unsuccessfully attempted to enter campus via the Cantronics Thermal Scanner and the Raptor kiosk.

CUSTODIAL CLEANING

- The campus will undergo intensive daily cleaning and sanitization routines
- The Site Facilities is working diligently with MOT to ensure that all rooms are thoroughly sanitized on a schedule that is closely monitored
- All rooms are equipped with an industrial "air scrubber" which filters the air in a room 6X per hour
